## 2ND ANNUAL WINTER SOLSTICE EVENT— WANICK PARK

\*\*\*\*SATURDAY — DECEMBER 20 — STARTING AT 4 PM \*\*\*\*

Enjoy Wanick Park as a winter wonderland of fun! Join us at this Village of Sherwood-sponsored event for a **large communal bonfire, community Christmas tree lighting ceremony, sledding, and ice skating** (weather permitting) - plenty of fun activities for the whole family! We'll serve **hot beverages** and have **hot eats for sale — bring a holiday treat (cookies, candies, etc.) to share with others for one (1) complimentary hot eat token!** Gather with friends, family, and neighbors and celebrate this growing tradition.

## Announcements

### OVERNIGHT PARKING ENFORCEMENT IN EFFECT

Per Village Ordinance #3, no parking is allowed between 2:30 AM and 6:30 AM on Village streets between Nov. 1 through April 1. Vehicles in violation will be ticketed for noncompliance and may be towed. ▲

### SNOW REMOVAL PROCEDURES

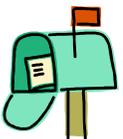

Do not blow or push snow into the street or across the street. It is the responsibility of the property owner to remove snow from the entire width of the walk in a timely basis (within 24 hours of end of snowfall). ▲

### CHRISTMAS TREE DISPOSAL

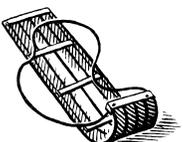

The Village's Yard Waste Site will be open from Monday, Dec. 29 through Friday, Jan. 31 for tree disposal.

### MAILBOXES

It is the property owner's responsibility to keep the mailbox clear of snow and ice and accessible for mail delivery. ▲

### WANICK PARK SLEDDING

The Wanick Park sled hill is open during normal park hours. Sleds can continue to cruise using the hilltop light until 10 PM. ▲

## From the Recreation Coordinator...

With another Winter upon us, I would like to take this time to invite everyone to our 2<sup>nd</sup> Annual Sherwood Winter Solstice festivities on Saturday, Dec. 20<sup>th</sup>. Beginning at 4pm, we will meet in Wanick Park at the Performance Venue / Skating Rink area to enjoy the lighting of the Christmas tree, share some Christmas carols, enjoy a huge bonfire, and make use of the ice rink and sledding hill (weather dependent). Free hot beverages will be provided, while some hot food will be available at very reasonable prices. Bring a treat plate to share and get a free 'hot food' token. And who knows?... There may be a few extra surprises in store as well.

Now that the Park construction season is behind us, Wintertime gives us the opportunity to continue planning activities for next year. We want you to know the Park will once again be available for soccer leagues and baseball through the YMCA, per usual.

In Spring, the old pavilion at the Castle Drive entrance will receive canvas-and mesh-screened sides allowing the entire structure to be enclosed for events in case of inclement weather. So, when planning your next indoor/outdoor party, we may be your next cool weather venue now that you can be shielded from the elements. Remember, the pavilion has a kitchen area, too.

Also, the Village purchased a large, outdoor movie screen and projector to host Summer movie nights in Wanick Park ( - Once the weather warms up, of course!). The screen is 20 feet wide, the projector's clarity is awesome, and the

sound system is excellent. So, what are your ideas for our movie program? What times and nights??

We have lots of ideas, but are extremely interested in your thoughts for community events in the Park(s). We are planning a return of last year's hit Summer Party, anchored by Vic Ferrari, while also toying with the idea of a Fall wine & beer tasting gathering in the pavilion.

## From the Recreation Coordinator...

*Continued from Front Page...*

What would you like to see in your Park system? The Arts (music, culturally-engaging events), sport and fitness leagues (tennis; basketball; horseshoes), or a mixture of healthy-living activities and Life Skills? Something else?

Please get in touch with Recreation Programming so we can address the ideas you have to make our community as wonderful, engaging, and successful as possible.

Of course, we are always looking for volunteers to help out at events, so if you want to get involved – even if only for one event – please contact me at the address below, or through the Village Hall at 989-1589. Your help is greatly appreciated.

For now, I hope the winter treats us a little better than last year. We hope you and your family are ready to enjoy everything Wanick Park has to offer. See you at the Winter Solstice party!

## From the Village President...

### *Happy Holidays to All -*

As I look back on 2014, the crowning achievements in my eyes are finalizing the Wanick Park construction project and the arrival of Dick's grocery store.

As January 1, 2014, the State Dept. of Administration has indicated Sherwood's population is 2,814. This is important because our consultants advise us that businesses begin looking seriously at communities with a population of 3,000 as viable business places for sustainable economic development. They literally track the success of existing businesses in these communities to gauge the potential successes of other business ventures.

Today, our community value consists of 95% residential and 5% commercial assets. To that end, Sherwood's economic engine is truly *we the people*.

As we enter the final month of 2014, I am requesting that each household attempts to increase the amount we spend within the Village of Sherwood by \$20 per week. With approximately 1,000 homes, this would result in an increase of more than \$ 1 million to our local economy.

Your local government has worked hard to provide quality services and attract new businesses while keeping the local tax rate low. Now, we all need to support these businesses so they can increase our commercial tax base, attract other businesses, provide local jobs, and thrive. Let's help our Sherwood businesses achieve their goals, while they help our community achieve ours.

We truly are a small community blessed with good spirit, great neighbors, and abundant community potential.

Wishing all Sherwood residents good health and a Happy and Prosperous New Year!

### 2015 Dog Licenses Available at Village Office

It's WI State law — all dogs five (5) months and older must be licensed annually by March 31 of each year. **Proof of a current rabies vaccination is required.**

The fee for a neutered male or spayed female is \$5; an unaltered dog is \$10. 2015 dog licenses are available at the Village Office now. **If you no longer have your pet, please contact the Village Office at 989-1589 so we can remove the pet from our database.**

**2014 tags were GREEN in color; 2015 tags are RED in color. If your dog has a green tag, it's time to renew!**

You may handle your license renewal by mail; please include proof of rabies vaccination, the license fee and a **self-addressed, stamped envelope** (so we can send it to you!).

After March 31, a \$5 late fee will be charged in addition to the licensing fee.

**Please mark your calendars — we will not send out reminder letters. ▲**

### GARBAGE CONTAINER UPDATE

Garbage collection/receptacle fees have gone up. The new 2015 rates are as follows: 35 gallon = \$116, 65 gallon = \$128, and 95 gallon = \$139 for the year. ▲

### Nomination Papers

Beginning December 1, 2014, nomination papers may be circulated for the April 7, 2015 Spring election for the following Village Offices:

#### OFFICE

Jim Rath  
Village Trustee  
Village Trustee  
Village Trustee

#### INCUMBENT

— Village President  
— Roger Kaas  
— Bob Benz  
— Stacy Gedman

All terms are for two (2) years. Nomination papers are to be obtained by the Village Clerk's office at W482 Clifton Road. Completed papers must be filed by 5 PM, on Tuesday, January 6. If necessary, a primary will be held on Tues., February 17.

Any questions can be directed to Clerk-Treasurer Sue Williams, at 989-1589 or [clerk.sherwood@newbc.rr.com](mailto:clerk.sherwood@newbc.rr.com).

## Bird City Update

### Wisconsin Birding Data Best In World

Because so many of WI birders record their observations, our State ranks as "the richest and most in-depth Audubon data of any place in the world", according to the Wisconsin Society of for Ornithology.

You can participate in bird research too from the comfort of your home by recording and reporting the birds you see in your yard. The Great Backyard Bird Count is held February 13-16th. It's free, it's fun for the whole family and you have a chance to win binoculars, books and other prizes. Learn more at

<http://birds.audubon.org/great-backyard-bird-count>.

The 2013 Audubon Christmas Bird Count for Calumet County was held last year on New Years Day. Even during that harsh winter, we had a count of 38 different species within a 15 mile circle. WI has 113 such circles (second only to a much larger California) that you can participate in. This event occurs on one day within each circle between mid December and early January every year in order to plot the changes in species presence. The Audubon website <http://birds.audubon.org/christmas-bird-count> helps identify concerns such as a decline in the reports of Snow Buntings, a stark white and black winter finch that is seen in impressive flocks of several hundred over our frozen WI farm fields.

Join the teams of winners that keep our State pride at the top! ▲

# Sherwood Water & Sewer Utility—Your “Bill of Rights” as a Vi

The Public Service Commission of Wisconsin (PSC) provides this information to let you know your rights as a water customer. If you have a question or problem with your service, first contact your utility. If your utility cannot resolve the problem, call the PSC.

## What is on Your Bill

All water utility bills must include:

1. Account number.
2. Billing address.
3. Service address (if not the same as the billing address).
4. Current meter reading and date.
5. Prior meter reading and date.
6. Number of units consumed.
7. Minimum and estimated bills shall be distinctly marked as such.
8. The date on which the utility bill is due.
9. The rate schedule under which the bill was computed.
10. Clear itemization of the amount of the bill for the present billing period, any unpaid balance, and any late payment charges.
11. Clear itemization of other utility charges and credits. If the rate schedule is not included with the bill, the utility must provide a copy of the rate schedule to all customers whenever a rate change becomes effective *and* at least once each year.

## Late Payment Charges

A utility can add a late payment charge if your bill has not been received by the utility by the due date printed on your bill.

A late payment charge can be:

1. A one-time charge of 3% of the unpaid bill (minimum of 50 cents), *or*
2. A monthly charge of up to 1% of the unpaid bill (including unpaid late payment charges).

## A Deposit May Be Required

If you are a new residential customer, you may be asked to post a deposit if you did not pay an undisputed bill for gas, electric, or water service anywhere in Wisconsin during the last six years *and* your income is above 200 % of federal income poverty guidelines.

If you are a current residential customer, you may be asked to post a deposit if:

- a. Your service has been disconnected within the last 12 months.
- b. You falsified a service application.

## Installment Plans for Overdue Bills

You may enter into an installment plan to pay what you owe your utility. This helps you pay your current bills and any overdue bills. You will be asked to make a “reasonable down payment” and “reasonable installments.” A reasonable amount is based on:

1. The size of your overdue bill.
2. Your payment history.
3. How long your bill has been overdue.
4. Reasons your bill is overdue.
5. Other important factors such as household size, income, and necessary expenses. Your utility may ask you to sign an installment agreement. Do not sign it unless you agree to the terms. You have the right to suggest a different payment agreement. If you do not pay installments as agreed, the utility may disconnect your service. If you do not pay, the utility does not have to negotiate a new agreement before it disconnects your service. It is up to you to let the utility know if there have been any significant changes in your ability to pay. If you and the utility cannot agree on an installment plan, you can file a dispute with the PSC. While the PSC investigates and attempts to resolve your dispute, your service should not be disconnected.
6. You refuse or fail to allow the utility to obtain a meter reading at least once every four months where the utility bills monthly or bimonthly, or at least once every nine months where the utility bills quarterly.

## Medical Problems

The utility may delay disconnection for up to 21 days if there is a medical emergency in the home. During this delay, you must work with the utility to make payment arrangements in order to continue the service on a permanent basis. The utility may require a letter regarding the medical emergency from your doctor, a public health official, a social service official, the police, or sheriff.

The letter must specify the medical emergency, the need for water, and the expected duration of the emergency. The utility may grant another 21-day extension if there is evidence that you are working with the utility to establish a payment plan. However, you must pay all bills not in dispute.

# Village of Sherwood Resident and Utility Customer

## Service Disconnections

A utility must either mail or personally deliver a notice before your service is disconnected. This notice must include:

1. Date of notice.
2. Date when service can be disconnected.
3. Reason for the disconnection.
4. If feasible, the occupants may apply to the utility to accept responsibility for future bills and avoid disconnection of service.
5. How to contact the utility about the notice. The notice must be mailed to your home or mailing address at least 10 days before the disconnection. If the billing address is different from the service address, notice shall be posted at the service address at least five days before disconnection. The utility is required to make a reasonable effort to contact you by telephone or in person before service is disconnected. If service is not disconnected within 20 days after the notice is mailed, the utility must leave a new notice at the site not less than 24 hours or more than 48 hours prior to disconnection. A utility may disconnect utility service without notice where a dangerous condition exists for as long as it exists. Service may be disconnected with a written 24-hour notice for non-payment of a bill covering theft of water.

Your service **cannot** be disconnected if:

1. You fail to pay for merchandise or non-utility service.
2. You fail to pay for a different type or class of utility service.
3. There is a declared heat advisory, warning, or emergency for your area.

Your service **can** be disconnected if:

1. You fail to pay your bills, including delinquent bills from a previous address.
2. You fail to pay your installment plan as agreed.
3. You fail to pay required deposits.
4. You tamper with your meter.
5. There is a safety hazard.

## Delinquent Bills Levied as a Tax

Delinquent municipal utility bills may be levied as a tax as provided in Wis. Stat. § 66.0809(3).

## Have a Dispute?

First contact your utility to try to resolve the problem. If you are behind on your bill, the utility may offer you an installment plan to pay the amount owing. If the utility cannot resolve your problem, you may contact the PSC at 1-800-225-7729 or (608) 266-2001. While the PSC reviews your dispute, your service should not be disconnected. However, you must still promptly pay any charges not in dispute. After the PSC completes its review, a staff member will contact you and the utility to discuss the resolution.

*The PSC does not discriminate on the basis of disability in the provisions of programs, services, or employment. If you are speech, hearing, or visually impaired and need assistance, call (608) 266-5481 or TTY (608) 267-1479. We will try to find another way to get the information to you in a usable form.*
