Our waste management provider (Advanced Disposal) supplies the garbage cans used for automated collection. The cans come in three sizes: 35-, 65-, and 95-gallon. Residents are assessed an annual pickup fee based on the selected size.

2020 ANNUAL REFUSE & RECYCLING FEES

35 gallon = \$139, 65 gallon = \$155, and 95 gallon = \$165

Recycling canisters come in a 96-gallon size only.

If your can is damaged during collection and requires repair or replacement, please call the Village office to make arrangements at no cost. If a can is damaged through misuse (i.e., hot ashes) or lost, the homeowner is responsible for the replacement cost.
